1. Introduction

1. Introduction of the game

INVEST is a stock market simulation game that aims to introduce people are interested in investing in stock market exchanges but are not very familiar with them. This game uses bogues money so it is a safe game where the user does not lose any real money.

1.2 Rules of the game

- Users will be given \$1,000,000 upon registering an account
- Users cannot buy shares if they do not have sufficient money
- If users are found cheating or abusing players, they will be banned by the admin
- Users are able to buy shares from real-data share markets

1.3 Game Requirements and Registration

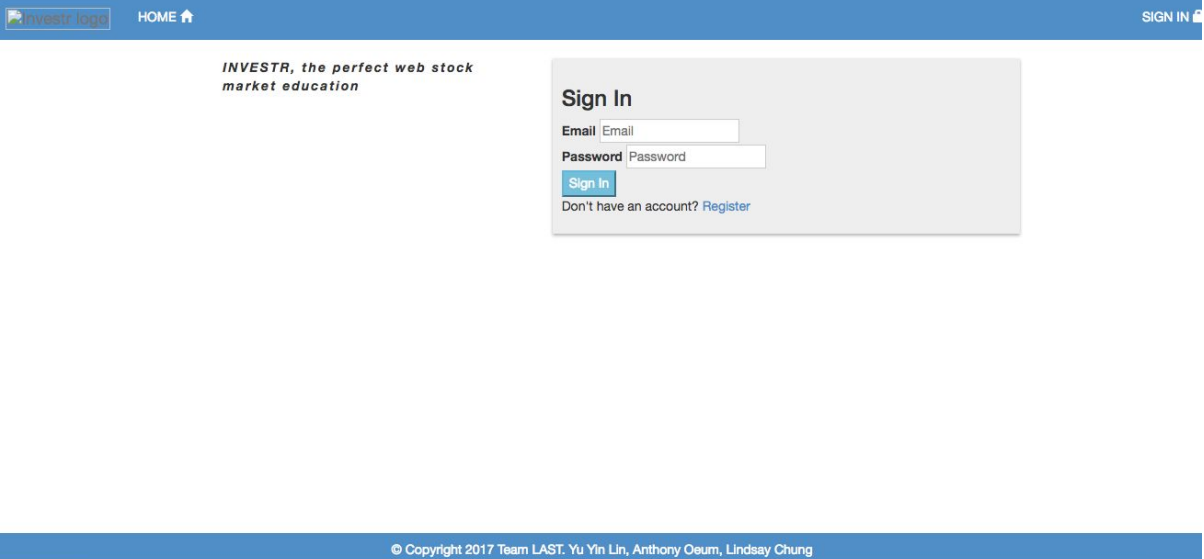

The game requires a user to have an account in order to start investing in shares.

A user must provide an email address in order to login and play the game.

A user must pick an appropriate display name

2. Game Website Overview (Pictures)

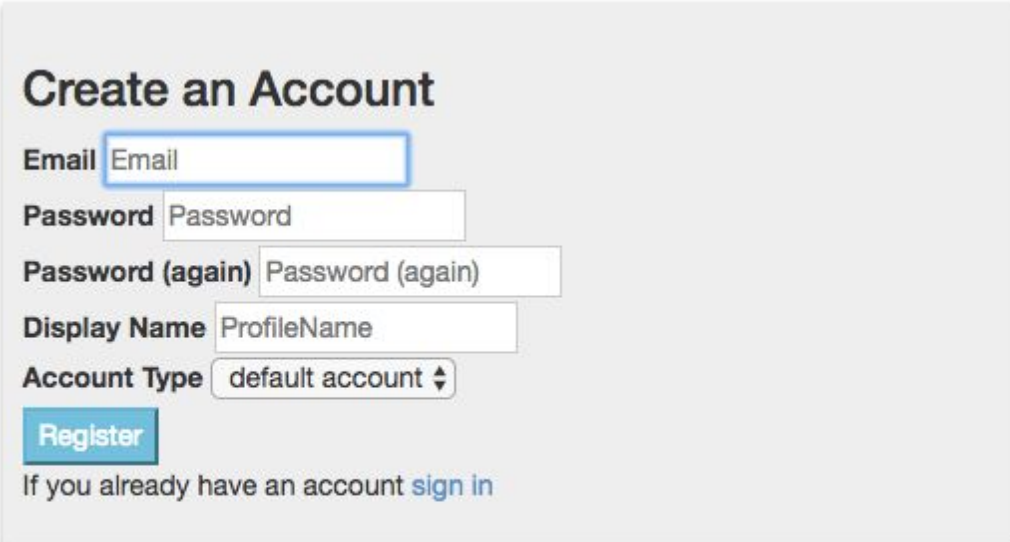

2.1 Sign-in/Register

The screenshot shows the top section of the Investr website. At the top is a blue navigation bar containing the 'investr logo' on the left, a 'HOME' link with an upward arrow in the center, and a 'SIGN IN' link on the right. Below the navigation bar, the main content area has a light gray background. On the left side of this area, the text 'INVESTr, the perfect web stock market education' is displayed. On the right side, there is a white box titled 'Sign In'. Inside this box, there are two input fields: 'Email' and 'Password'. Below these fields is a blue 'Sign In' button. At the bottom of the box, there is a link that says 'Don't have an account? Register'. At the very bottom of the page, there is a blue footer bar with the copyright text: '© Copyright 2017 Team LAST. Yu Yin Lin, Anthony Oeum, Lindsay Chung'.

The login page where existing users login to the website/game.

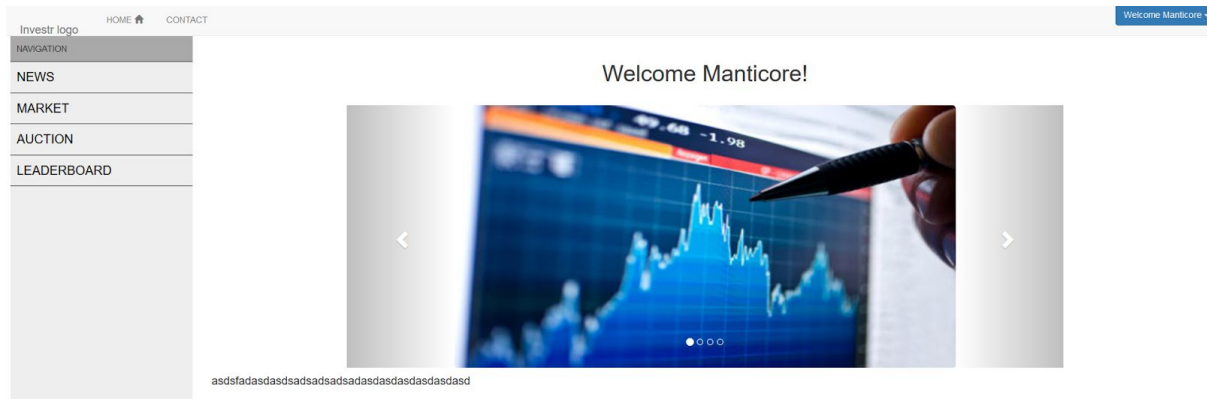

2.2 Creating an Account

The screenshot shows the 'Create an Account' form on the Investr website. The form is a white box with a light gray background. It has a title 'Create an Account' at the top. Below the title, there are five input fields: 'Email', 'Password', 'Password (again)', 'Display Name', and 'Account Type'. The 'Email' field is highlighted with a blue border. The 'Account Type' field is a dropdown menu showing 'default account'. Below the input fields is a blue 'Register' button. At the bottom of the form, there is a link that says 'If you already have an account sign in'.

Users who do not have an existing account enter their details to create an account to gain access to the website.

2.3 Dashboard/Welcome

After logging in successfully with an existing account, the user is greeted with a 'welcome' message and redirected to the dashboard page.

Search for a symbol...

Symbol	Count	Company Name	Volume	Last Trade	Delete
2 GOOGL	(2)	Alphabet Inc.	1876690	958.69	X

Symbol	Count	Company Name	Volume	Last Trade	Delete
2 MAN	(2)	ManpowerGroup	404313	100.76	X

Symbol	Count	Company Name	Volume	Last Trade	Delete
2 MSFT	(1)	Microsoft Corporation	28789413	68.46	X

Symbol	Count	Company Name	Volume	Last Trade	Delete
2 RES	(1)	RPC, Inc.	1191554	18.17	X

Symbol	Count	Company Name	Volume	Last Trade	Delete
2 YHOO	(3)	Yahoo! Inc.	6142929	49.69	X

Users are able to search for shares. If a recognised ticker symbol is searched, the data will be successfully pulled from the API and displayed within seconds. For

example, entering YHOO will retrieve the Yahoo! Inc. share data. This is also where users will primarily buy and sell stocks.
